# Dedication

Down through the years, many students have passed through the gates of Northwestern State College. On their journey through, each has met many outstanding personalities who will be remembered long after graduation. But there are always one or two who will be remembered with great fondness. Their understanding and guidance will be remembered as helping many a student along the route to graduation. Their willingness to always lend a helping hand will stand out in each student's memory. But that warm and cheerful smile which greeted each Freshman, Sophomore, Junior, and Senior will forever be buried deep in every student's heart.

It is to a small group of people on our campus who truly exemplify all these traits that we, the POTPOURRI staff, proudly dedicate the 1961 edition—the House Directors of the Northwestern State College dormitories.

## The House Directors

*From*

# the President

## President's message:

A full and meaningful life is the goal of worthy men and women throughout the centuries. The role of higher education in fostering the attainment of this great end has never been as pertinent as in this seething twentieth century.

At this time, when our human society exhibits an almost limitless complexity, there is greater need than ever for a place and environment where young men and women can compress into a few short years that study and guidance which will provide understanding of what is happening about us. This study and reflection must promote those insights which will help future navigation between deadly extremes of overconfidence and frustration. Striking the right balance between senseless clinging to the outmoded and the mistaken casting aside of the richly proved is the core of the problem of our century. Higher education today must provide both a broad background and an incisive pointer for inspired and courageous action and right repose.

The attainment of awareness and desire for right balance presents and unrivaled challenge. Contemporary thoughtful observers are endlessly impressed with the evidence which raises serious doubt about the ability of our society to mate enough brain power with advanced education and training to meet the demands of our technical age. The need for both scientific understanding and mastery of techniques is self-evident. Failure to meet this demand would result in the greatest defeat ever experienced by our human kind. It must not happen.

But advanced scientific attainment by itself will not meet the paramount needs of our epoch. The supreme requirement of higher education is that it develop the qualities of mind that characterize intellectually balanced men and women.

First of all, there must be recognition that humans require more than the mastery of knowledge of HOW to do something. There is the supreme question of WHY we do them. In this vital realm, the right answers are not to be supplied through mere mastery of the techniques of manipulation. Within the limitations of humans, mature answers will come through definition, understanding, and appreciation of VALUES—supremely important values that have evolved over at least a half million years and which give man a unique position in the pattern of creation.

The problems and difficulties that beset us in our age of infinitely varied revolution and development are admittedly great. To assume that they are beyond decent working solutions has certainly not yet been demonstrated, and, more important, such belief or assertion is in direct opposition to the record of accomplishment of inspired men and women of all of the creative past. Let us realize that the magnificent story of the courageous men of the United States of America is but a part of the mantle of greatness that at all times has separated the noble from the sodden.

The belief that both the scope and tempo of human accomplishment in a thousand fields are truly in infancy, and that it is possible to prevent catastrophe unimagined in other generations, does not arise from a state of self-hypnotism. It springs from the solid evidence of the past. Men in other years have met the challenge of startling innovations. Reasoned faith must be equalled in strength by the determination to work relentlessly and spiritedly at our jobs of the moment. Only in this pattern of faith and work can those engaged in higher education carry to all others the conviction that it has singular power to advance men and women to their rightful place in the universe.

# The Deans

The seven deans who are responsible for the welfare and happiness of the entire student body have numerous and time-consuming duties at Northwestern State College.

Sylvan W. Nelken, Dean of Administration, is the Chief Fiscal Officer for the college. He is involved in all the business operations of the college in the form of the dining halls, utilities, ground maintenance and the automotive equipment.

The Dean of Women, Frances Ellen Porter, does not limit her work to the academic phase of the women students' life but includes social programs. She also serves as advisor of their student government.

Assisting the Dean of Women is Lucile M. Hendrick who aids with the housing of the women students.

Helping with the college's social program and giving counseling aid outside the academic area of the school just begins Dudley G. Fulton's duties as Dean of Men. In addition, he has the responsibility of being advisor for the social fraternities, discipline and financial problems.

Being assistant to the Dean of Men is the job of Leonard O. Nichols. He works with the freshman men in their dormitories and manages student employment and the insurance program.

Hal E. Townsend, as Director of Men's Housing, works for a congenial atmosphere for men students' housing.

As Alumni and Placement Secretary, Joe Webb helps the graduating students find suitable employment. He also serves as the Alumni Association Secretary.

## Academic Deans

The college is divided into five schools, each administered by a dean, for the purpose of administration of instruction, and in keeping with the offerings.

The School of Arts and Sciences, administered by Dr. C. E. Dugdale, prepares a student for entry into professional schools and enables the student to qualify for positions in the vocational fields.

Providing training for homemaking and preparing students for employment in business, industry, and agriculture are the objectives of the School of Applied Arts and Sciences. Robert H. Easley is the Dean.

Hilda Burnham is the Dean of the School of Nursing which equips capable young men and women with the basic competence for becoming professional practitioners of nursing. It also provides the basic foundations for advanced professional study and continuous growth.

The primary purpose of the School of Education is to prepare well-qualified teachers for the elementary and high schools of Louisiana. Dr. John A. Jones is Dean of this school, and Dr. William F. Beyer, Jr., is the Assistant to the Dean.

The Graduate School, begun in 1954, is under the capable administration of Dr. Leo T. Albritten. It seeks to introduce students to methods of scholarly research, to contribute to increased competency in teaching and school administration and to provide students with a deeper understanding of human knowledge.

## Memoriam

## Lorane V. Brittain

Lorane V. Brittain, a member of the Northwestern faculty since 1930, died October 20, 1960.

Mr. Brittain received his degree at the American Conservatory of Music in Chicago, and completed work at the University of Chicago. A native of Kansas, he was holder of the Pro Music award in Kansas, and was a veteran of World War II. He had been serving as acting head of the Music Department at Northwestern. He was a member of the Louisiana Music Educators Association, faculty advisor for Phi Mu Alpha Sinfonia, and a member of Kappa Delta Phi.

Eyes glazed by the bite of cold wind view the panorama of the Natchitoches Christmas festival.

Beauty is found in winter weather. The Lady of the Bracelet and the seven beauties crystallize as such at the POTPOURRI-sponsored beauty pageant. Another POTPOURRI-sponsored event is the POTPOURRI Ball where outstanding junior and senior women are recognized.

Harsh weather does not hinder supporters of the Demon basketball team; the gym jams with students and faculty to egg the quintet on.

Ah! Spring at last!

You're kidding. Is he really?

The flush of spring is on the face of N.S.C. Flowers and romances blossom with equal profusion.

The Greeks launch their imaginative dances on spring nights; beneath sultry skies flash the warm colors of evening gowns and the crisp whiteness of starched collars.

Other spring nights host entertainment; the Fine Artists Series brings ballet and woodwinds. The pageantry of the R.O.T.C. Military Ball leaves a memento tucked away in some frosh girl's scrapbook.

Though spring closes the school year, it is the transition into activities of the fall; Blue Key and Purple Jacket members are called and leaders for the coming year receive the oaths of their offices.

## Student Council

We, your elected Northwestern State College Student Council, under the leadership of President Burton Howard and with the guidance of Dean Dudley G. Fulton, strive to serve you, Northwestern's Student Body, with the powers vested in us by the Student Body Constitution.

The Student Council is dedicated to the interests of NSC's Student Body. With this thought ever in our minds, we have undertaken various duties and projects to make your stay at NSC as pleasant as possible.

Any decision we may make or have made is for the general welfare of the students. We owe many thanks to the college administrators, faculty, and students who have given their complete cooperation in order that we could function to the best of our ability.

## Dormitory Assistants

The Staff Assistants Program helps the House Directors in the women's residence halls. These girls serve as receptionists in the residence hall offices and also help the students in the building to observe residence hall regulations. Staff assistants must have a high scholastic average and be at least of sophomore standing. Selection for this position is made by the Dean of Women and her staff on the basis of efficiency, dependability, and co-operativeness. The sponsor of the staff assistants is Mrs. Irble Shaddock.

The Sophomore Counselor Program is designed to help freshman women students become adjusted to college life, college and residence hall regulations, and to help them attain a high academic standing. Sophomore Counselors are selected to this honorary position on the basis of scholarship, leadership, personality, and character. Twenty-nine women students were selected to serve in this position during the 1960-61 year. Under the leadership of the officers—Nancy Ricks, president; Freda Cadow, secretary; and Mrs. Anne Dunnam, sponsor—the Sophomore Counselors have helped develop a better college spirit among the new women students.

The monitors in the men's dormitories function in much the same way as the sophomore counselors. Applications are filed in the office of the Assistant Dean of Men, and each applicant is interviewed by Mr. Townsend, the Director of Men's Housing. Each monitor must have at least a "C" average; however a "B" average is preferred. The house directors in the dormitories then approve the applicant's personality, leadership, and character.

## Women Students

The Associated Women Students is an organization of all women students registered at the college and is a member of the Inter-collegiate Association of Women Students.

The purpose of the AWS is to promote, in cooperation with the Dean of Women, the intellectual, social, and spiritual welfare of the women students; to develop in the students a deep sense of self-responsibility; to instill a spirit of cooperation and friendship; and to uphold high social and academic standards among women students of the college.

To govern the women students is not the only purpose of the AWS. It also helps to enrich the lives of college students by providing opportunities for them to participate in school activities. Some of the activities that AWS promotes include the Howdy Dance . . . Halloween Masquerade Dance . . . the homecoming float . . . the Christmas-at-home Reception . . . the year is highlighted by the election of officers who are presented to the students at the AWS Banquet.

# Town Associated Women Students

The Town Associated Women Students is made up of all women students who live off-campus. This organization works closely with the AWS. Officers of the town group serve on the AWS Council.

The primary aim of TAWS is to keep the off-campus women students informed concerning activities on-campus and to promote a closer feeling of unity among all women students at NSC.

TAWS participates in such projects as Mom and Dad Day, Homecoming, Christmas-at-Home, and the AWS-TAWS Banquet.

## Judiciary Board

The Judiciary Board of the Associated Women Students is composed of two A.W.S. officers, the Vice-President, who serves as chairman of the Board, and the Corresponding Secretary. Three other members, representing the Senior, Junior, and Sophomore classes, are appointed by the Dean of Women and the President of the Associated Women Students, who serves as an ex-officio member of the Board.

It is the duty of the Judiciary Board to see that all regulations pertaining to women students are functioning effectively, and to investigate all instances of non-observance of regulations that come to its attention, to determine whether the instance constitutes a case of behavior failure, and to assist the individual concerned in making satisfactory adjustment. The Board serves as a "hearing" group for any woman student who violates an important rule or regulation.

The organization known as Associated Men Students includes in its membership all regularly enrolled men at Northwestern State College. The executive board of AMS is composed of 23 members, each representing a different dormitory or floor.

This is the fourth year that Associated Men Students has functioned as an organization on the NSC campus. However, the idea can be traced to a similar group that had its first meetings in 1949. This organization was known as the Men's Interdormitory Council.

The main objectives of the Associated Men Students, like those of the earlier Interdormitory Council, are: First, to promote, in cooperation with the college administration, the general welfare of men students at Northwestern State College and, in particular, the welfare of men living in the residence halls on the college campus. Second, to serve as a means of expression of opinion for men students. Third, to instill in men students a sense of good citizenship, true sportsmanship, and mature responsibility. Fourth, to uphold high standards of conduct and scholarship among students.

## The Purple Jackets

The Purple Jackets, founded in 1927 by President V. L. Roy, was the first honor club to be established at NSC. The Purple Jackets, clad in colors of purple and white depicting loyalty, have become a tradition as hostesses at all events on the college campus.

The membership of the club is limited to twenty-one active members. Each spring new members are chosen from those women students who have demonstrated good scholarship, leadership and character, and a spirit of cooperation and unselfishness in serving the college.

The honor of becoming a member of the Purple Jackets is one of the greatest accorded to a woman student of NSC.

## Blue Key

The seventeen members of the Northwestern Chapter of the Blue Key National Honor Fraternity not only worked with school officials during registration, but also were responsible for decorating the campus on special-events days such as Homecoming, and Mom and Dad Day. The group also sponsored movies for college students on nights when there was no other all-college activity; sponsored the annual Homecoming dance; helped with dormitory Homecoming decoration judging; worked with the school in the conducting of the annual summer high school cheerleading clinic; and were "on call" for various events of a service nature.

The Northwestern chapter had its beginning last year when members of the administration, realizing the need for a men's service unit, gathered a group of junior and senior students who met Blue Key requirements, and formed a local service fraternity. This group ultimately petitioned the national organization and were initiated in the spring of 1959.

Members of the NSC fraternity must be at least juniors at the time of their initiation; possess an over-all 1.5 academic average; meet certain standards of participation in extra-curricular activities; and gain a majority vote of chapter members.

Miss Janis Evans, a senior from Sikes, was selected by the Blue Keyers as their first Blue Key Darling. This designation, which is to be an annual affair, was made at the Homecoming Dance.

Blue Key is America's largest general honor fraternity for upperclassmen.

## The 1961

The one word that every section editor and staff member has heard over and over in the past few months is DEADLINE.

What goes into meeting the deadline? Anyone of the section editors can tell you that it takes a lot of work! But to be more specific, taking pictures, getting retakes of pictures, getting write-ups, proof-reading and typing them, preparing pictures for Shreveport Engraving Company and write-ups for Benson Printing Company all goes into meeting every deadline.

Each section has been in the capable hands of a section editor, who strived to meet the set deadline. Helping the section editors to meet the set date were the staff typists who did everything from typing letters and copy to decorating and making posters for the POTPOURRI Ball and Lady of the Bracelet Pageant. Many good laughs along with our work have seen us through the year.

All but one deadline has been met, and the 1961 POTPOURRI Staff with a lot of help from Shreveport Engraving Company and Benson Printing Company in Nashville, Tennessee, meets it now by presenting to you the 1961 POTPOURRI.

SOCIE

Under the capable leadership of a male editor for the first time in four years, the 1960-61 **Current Sauce** staff began work under very pleasant circumstances in a redecorated, refurnished, air-conditioned office. Frank Caperton and his editorial staff, determined to make the **Sauce** the official newspaper of the NSC student body, attempted to give complete coverage of campus events and full voice to student opinion.

Two personal columns, feature stories and interviews, an active "Letters-to-the-Editor" section, and a lively editorial page gave the newspaper a distinctive, colorful personality. Sports and society news were very capably handled by Johnny Edgar and La Nae Rowell.

Efficiently supervising the business affairs of the **Sauce** was Wayne Williamson, whose capability for obtaining advertising often left the staff wondering if there would be any space left for copy.

One of the highlights of the year was the publication of the literary edition saluting the creative writing ability of the NSC students. This special edition originated a year ago under the editorship of Artie Wimberley.

Through a hot, news-bare summer and a news-filled fall and spring, the issues of the **Sauce** rolled off the presses in the Graphic Arts Department every Friday into the hands of the students. The 1960-61 staff made this year a favorable niche in the history of the **Current Sauce**, which, for 47 years, has chronicled the progress of Northwestern.

Serving on the staff this year were: Kay Flowers, Wayne Clemm, Mathilda Andrus, Mary Ann Bankston, Ruby Nell Bobbitt, Martha Cotten, Pat Gandy, Doug Gordon, Lonnie Harper, Kathy Jones, Ann Jones, James King, Carol Ann Knotts, Juanita McGuire, Ann Matthews, C. B. Morrison, Betty Neely, Richard Norred, Glynn Peninger, Gail Rylee, Jerry Spears, Diane Taylor, Glenda Walters, Joe Weinmunson, Bonnie Wineinger, Walter Wiscovitch, and Ruth Woodward with Roy G. Clark as faculty advisor.

# Publications Board

The Student Publications Committee is composed of six students, named by the President of the Student Body Association, and five faculty members, named by the President of the college. One of these faculty members will be the Chairman of the Committee.

This committee is responsible for the editorial and financial guidance and control of all student publications. The committee may add any qualifications for editorship eligibility of a publication which it feels are desirable. It determines whether or not each candidate, who has filed the proper "Notice of Intention," is qualified for the editorship to which he aspires. Only the names of those candidates approved by the committee shall appear on the ballot. The right to suspend or remove the editors or other staff members for inefficiency, neglect of duty, malfeasance in office, or any other sufficient reason by a two-thirds majority of the full committee is also given. A vacancy in the editorship of any student publication is filled by the action of the Student Publications Committee, ratified by the Student Council.

The chairman of the Student Publications Committee submits to the Student Council in November, February, and May a report on the financial conditions of each student publication.

## Cheerleaders

The NSC cheerleaders of 1960-61 have had a big year, with a combination of hard work and lots of fun. Because of summer jobs, only one of the squad, Ruth Richardson, was able to attend the Northwestern Cheerleading Clinic where she learned many new cheers and picked up some helpful suggestions.

The cheerleaders were put in charge of our new spirit-rouser, "The Demon Head," built by the Industrial Arts Department. It was on hand at every home football game to blink its eyes and give off smoke every time NSC gained points.

The squad was able to attend all of the out-of-town games with the exception of the one at Pensacola, Florida. Each home game found the group hard at work decorating goalposts and striving to increase school spirit. The cheerleaders also attended all the home basketball games.

Patsy Lowderback and Roy Hyatt, both from Shreveport, were elected freshmen cheerleaders. Jerry Ainsworth from Shreveport and Jack Brossette from Greenwood were cheerleaders for the first time, while Barbara Dowden returned for her second year. Pat Malmstrom of Shreveport served as Demon and Ruth Richardson, also of Shreveport, served as head cheerleader.

The cheerleaders feel that they have had a very successful year, and hope they have accomplished their chief goal—to raise school spirit.

All together now, 1 . . . 2 . . . 3 . . .

Let's give one big fight!

## The Demonettes

The Demonettes, predominated by freshmen, have delighted the 1960-61 home and visiting football fans with their outstanding showmanship during half-time periods.

# The Demonaires

The Northwestern State College Dance Band has been long-lived, dating back before World War II when the band was known as the "Swing Kings." During the war the women took over the dance band calling themselves "Swing Queens." After peace was restored, the name was changed to "Demonaires"; hence the dance band is solidly planted in NSC history. It is known throughout Louisiana and plays dances all over the state.

The Demonaires would like to say, "Thank you for a swinging year while playing for your dances."

## Little Symphony Orchestra

The Northwestern Little Symphony Orchestra was first organized in 1913 and had a membership of about twenty. Little was done to improve the orchestra until 1946. Since that date it has grown steadily in number and quality of performance.

The Little Symphony Orchestra is truly a community organization in that its members include elementary, high school, and college students as well as college faculty and townspeople. The group presents four concerts during the academic year—two public concerts and two Young People's Concerts for the school children of Natchitoches and nearby towns—and also provides music for the spring semester commencement exercises.

Various musical groups on campus function to give the students and faculty popular lyrics, jazz, dance music, and marches. It is the purpose of the Northwestern Little Sym-

phony Orchestra to contribute classical and semi-classical music, and so it does under the able direction of Dr. Joseph Carlucci.

## Band

The 1960-61 Northwestern Band, under the direction of Dwight G. Davis, participated in various activities throughout the year, including the usual performances at half-time during the football season, concerts, pep rallies, and parades. The Demons marched in the Forest Parade in Winnfield, the NSC-Tech Parade in Shreveport, the NSC Homecoming Parade, and the Christmas Festival Parade in Natchitoches.

This year during football season, the Demons performed at the home games, presenting formations and precision drills. Each senior instrumental music major planned and taught the band a half-time show. This gave the majors a chance to practice supervising and directing a band.

During the spring semester, the band went on a three-day tour performing in numerous high schools around the state. It is the band's purpose to present a part of Northwestern State College to the high school students and to encourage them to join the band upon entering NSC.

Each year the band performs one formal concert in the Fine Arts Auditorium. The types of music played range from heavy symphonies written for bands to marches and light

DWIGHT G. DAVIS

compositions of all types. From three to six "pop" concerts are also given for several consecutive weeks featuring light selections appealing to all types of musical tastes.

Highlighting the band's activities is the annual Band Banquet. The bandsmen and their dates enjoy a banquet followed by entertainment and a formal dance. A high spot of the banquet is the presentation of a Band Queen. This year's banquet was the second occurrence of what the bandsmen hope will be an annual experience.

# The College Chorale

Ambassadors of good music! The Northwestern State College Chorale is an organization of students who enjoy singing and entertaining with varied types of music. They devote several hours each week striving to attain a peak of excellence in interpretation and vocal presentation.

The Chorale performs locally in its annual Christmas and Spring concerts and special college events. In the spring, this singing group tours Louisiana.

The Chorale was formed in the fall of 1958 under the supervision and direction of Dr. Abel John Peterson. This small group, about sixty in number, is capable of rendering any type song from popular to the classics.

The organization's varied activities are planned and correlated through the cooperation of the director and executive committee. Members of the 1959-60 executive committee are John Mize, president; Don Wilkins, Vice President for Men; Sandra Hash, Vice President for Women; Sarah Oliver, Treasurer; Roberta Bromley, Secretary; Bobby Smith, Publicity Chairman. Each of these students works with a sub-committee composed of other chorale members, maintaining a closely knit, mobile group of artisans. This creates a sense of oneness in ever endeavor, whether it be functional or artistic in nature.

## N. S. C. Debate

The Demon Debaters have started a season which promises to be among the most successful in recent years. Invitations have been received to more than fifty tournaments throughout the country.

Debate is open to all students, regardless of their major. The debators attend an average of nine tournaments each year, at colleges and universities throughout the South.

Having attended three of the tournaments scheduled, the squad has won three first places, two second places, one superior, three excellent, and four good ratings. At the State Tournament, Northwestern won second place in the sweepstakes among the ten state colleges and universities competing.

In addition, the debate squad sponsors two tournaments in the spring, one for high schools and the other for colleges.

"Listen to this one, Harvey."

"Who said I was invisible?"

## Dramatics

Opening the 1960-1961 College Theatre season was a highly entertaining presentation of "Harvey" by Mary Chase. Featured in the role of Elwood P. Dowd was John Hazleton, winner of the 1960 acting award.

The "invisible white rabbit" comedy was followed by Arthur Miller's tense drama, "The Crucible," based on the Salem witch trials in 1692. Included in this play which reflected beliefs among early American colonists were Billy Thomas, Jayne Hazleton, Vicky West, a host of promising newcomers, and guest actor, Major Thomas Gleason of the ROTC.

Recognized as a favorite on any college stage is "The School for Scandal," scheduled for the first week in March. This eighteenth century classic comedy by Richard Brinsley Sheridan is ranked among the best plays of that century. Students in Drama Activity and Play Production classes during the fall semester made a special study of styles of acting and costuming typical of that colorful period in preparation for the March production.

Climaxing the season's offering was an interdepartmental presentation of the Gilbert and Sullivan operetta, "The Gondoliers." The second performance of the musical was given as a part of the Fifth Annual Louisiana Drama Variety Festival. This festival comprises performances by high schools, colleges, children's theatres, and civic groups in dance and theatre brought from all sections of the state. The festival originated on the Northwestern campus in 1957 and is held here each spring with the College Theatre as host.

Directing the theatre at NSC is Dr. Edna West. The technical director is Frank Magers. Drama at Northwestern is campuswide. "All the world's a stage, and all the men and women merely players."

"Why, Elwood P. Dowd! You haven't changed a bit."

# The Lady of the Bracelet

Climaxing "The Lady of the Bracelet Pageant" on December 2 was the selection of Mrs. Barbara Jean Dowden as "The Lady of the Bracelet." Mrs. Dowden of Oil City, Louisiana, was an N.S.C. cheerleader for two years and an R.O.T.C. Sponsor in 1960. She was selected as a 1959 POTPOURRI beauty and State Fair Queen in 1960. Mrs. Dowden is a member of Sigma Sigma Sigma social sorority.

Mr. G. W. Millspaugh, Jr., of Natchitoches, Mrs. E. R. McDonald, Sr., of Newellton, and Mr. David Kent of Shreveport served as the panel of judges. They made their selections from thirty finalists. Each girl was judged on facial and figure beauty alone. POTPOURRI Business Manager, Tom Nash, put the bracelet on Mrs. Dowden's arm.

## Panhellenic Council

"We, the Fraternity Women of America, stand for preparation for service through character building inspired in the close contact and deep friendship of fraternity life." With this segment of the National Panhellenic Creed as their goal, Northwestern Panhellenic strives to promote scholarship, high character, a better understanding of the Greek world, and harmony among the Greek organizations.

A member of the National Panhellenic Conference, the Northwestern State College Panhellenic strives as the governing body of the five N.P.C. sororities on campus.

The N.S.C. Panhellenic Council is composed of an alumna, one senior and one junior delegate representing the five sororities. Each sorority President serves as an ex-officio member to the Council. Mrs. Lucille Hendrick, Assistant Dean of Women, is adviser.

Locally, N.S.C. Panhellenic sponsors many campus projects including a convocation for Freshman girls and an all Greek Christmas Carol Sing. The Council also encourages scholarship among all women by presenting a Freshman Scholarship Award each year.

## Interfraternity Council

The Interfraternity Council was organized to promote harmony and a cooperative relationship among the four fraternities on the Northwestern State College Campus. Also, the Council strives to foster and maintain a high respect for fraternity and interfraternity relationships within our college. Another objective is to maintain high scholastic, moral, social and personal standards. Last of all, it compiles and enforces

rules for the purpose of improving the fraternity system on the campus. The Interfraternity's main purpose in general is to strengthen and perpetuate the fraternity system.

The IFC consists of the four fraternity presidents and two representatives from each of the fraternities. Meetings are held on the first Tuesday of each month. During these meetings all business between the four fraternities are transacted.

# Gamma Delta

Alpha Gamma Delta was founded in 1904 at Syracuse University as a national women's fraternity. With the installation of the first Canadian chapter at the University of Toronto in 1919, Alpha Gamma Delta became international.

Today Alpha Gamma Delta has 88 undergraduate chapters, 190 alumnae chapters and clubs, and approximately 36,000 members.

Our altruistic Program is worthy of pride. The Counselor Training Program and local service work began in 1947. Since then, the Program has granted 229 fellowships on the graduate level. Money has been donated by our undergraduates and alumnae to local organizations and clinics dealing with the cerebral palsied plus over a million hours per year of volunteer service work.

The Heritage of Alpha Gamma Delta has been built through the years by dedicated members contributing to the development of young women through fraternity bonds and ideals, serving their colleges and their communities better because of their fraternity membership.

Gamma Kappa Chapter is in its second year on the campus at Northwestern. It formerly was a chapter of Theta Sigma Upsilon which merged with Alpha Gamma Delta in 1959. The fraternity colors are red, buff and green; the fraternity flower is the rose.

# Sigma Alpha

On November 15, 1901, five women students at Longwood College, Farmville, Virginia, joined together to found Alpha Sigma Alpha. Since then forty chapters have been established in the United States. Our chapter, Psi Psi, had its beginning at Northwestern State College in 1930.

The fourfold objective of Alpha Sigma Alpha is the intellectual, physical, social and spiritual development of its members. Our colors are crimson and white; our flower is the aster.

Throughout the year, Alpha Sigma Alphas are continually busied with many projects and activities. Our camp party and workshop is in the summer. At the beginning of school, rush is followed by slumber parties. At Homecoming is our alumnae reception and in December our Christmas party. In the Spring, there is a faculty tea, Spring Cotillion, and informal parties honoring the fraternities. Our activities are climaxed with the Mother-Father-Daughter Banquet where recognition and awards are presented to outstanding members for leadership, loyalty, and service.

As we work together to maintain the traditions and standards of our sorority, we are constantly reminded of our motto—"Aspire, Seek, Attain."

The rush parties were fun!

We are Delta Zetas—today, tomorrow, and always—proud of our membership in this, the largest national sorority. This membership, a privilege which we share together, creates a challenge and a responsibility, for the individual and for all of us—a challenge which is met by love, loyalty, and true friendships. These friendships, formed today, will last a lifetime and will be a basis for meeting the future.

From its birthplace at Miami University, in 1902, Delta Zeta has consistently progressed. It extended its branches into every state which allows Greek organizations and has grown from one chapter, six girls, to 130 collegiate chapters, 207 alumnae chapters and 40,511 members. On November 14, 1927, the roots of our chapter, Epsilon Beta, were planted. Prior to our initiation into Delta Zeta, the chapter was Phi Chapter of Delta Sigma Epsilon, which was the first Greek organization on our campus. Our continued growth and development within our chapter is credited to our wonderful sisterhood and its ever-increasing list of achievements.

Sigma Kappa Sorority entered the Greek world on November 9, 1874, at Colby College in Waterville, Maine. The local chapter, Delta Mu, was installed on this campus on September 26, 1959. Before being installed into Sigma Kappa, the chapter was Alpha Delta Chapter of Pi Kappa Sigma.

Sigma Kappa can be identified by her flower, the violet; her jewel, the pearl; and her colors maroon, symbolic of Truth, and lavender, symbolic of Purity.

Philanthropy projects of Sigma Kappa are the Maine Sea Coast Mission in Maine, the Greek School for Girls in Greece, and Gerontology at the Natchitoches Nursing Home in Natchitoches, Louisiana.

We hold high the aims and ideals of love, loyalty, scholarship, high moral and spiritual development, friendship and service that have become traditions with her sister chapters all over the United States. It was 85 years ago that our founders first formed that mystic bond of which we are so fortunate to become a part.

We challenge ourselves to uphold our high standards and to live by our open motto—"One Heart, One Way."

Bid Sunday and pledges are all smiles.

Sigma Sigma Sigma, often called Tri Sigma, has girls from all parts of the United States, loving, giving, and sharing abilities and talents. Beginning on April 20, 1898, in Farmville, Virginia, Tri Sigma has been dedicated to academic progress, formation of enduring friendships, high ideals of personal conduct, and service to others. Sigma Sigma Sigma is a member of the National Panhellenic Conference and embraces forty-nine states and the District of Columbia with a membership of nearly thirty thousand.

Our open motto, "Faithful Unto Death," signifies our everlasting bond of friendship. Our colors, royal purple and white, go well with the delicate purple violet and the pure white pearl which are our flower and jewel respectively.

Alpha Zeta Chapter came to Northwestern's campus in 1928, and since then has acquired a little white house, hundreds of members and pledges, alumnae, friends, and our dear sponsor, Miss Eve Mouton. As the history of Sigma Sigma Sigma unfolds, Alpha Zeta Chapter takes its place with a warm, friendly, lovable group of girls who believe: "To receive much, one must give much . . ."

LEONARD BLANTON  
President

Northwestern's newest fraternity, Kuklos Adelphi, enjoyed its first full year of campus life in 1960-61.

Led by its officers, the fraternity not only established initial rules and procedure, but also became acquainted with Kappa Alpha Orders throughout the state in looking forward to eventual acceptance by the national fraternity.

The 36-man group, which consisted of 18 actives and 18 pledges, not only sponsored various outstanding social functions, but also participated for the second straight year in the KA Charity Bowl football game (originated by KA in 1960), and took an active part in the extracurricular life of the college. Members of KA were active and prominent in student government, the military, and in honorary scholastic and service fraternities.

Mr. H. N. Towry, Jr., of the NSC business department, served as chapter sponsor and advisor.

# Pi Kappa Phi

ROLAND McKNEELY  
President

Pi Kappa Phi Fraternity was founded on December 10, 1904, at the College of Charleston, South Carolina by a small but earnest group of collegians.

Since this historical date, Pi Kappa Phi has expanded to all parts of the nation and become one of the most prominent National Social Fraternities.

In 1956, Beta Omicron Chapter of Pi Kappa Phi was installed at Northwestern State College. The chapter was previously known a Phi Kappa Nu, a local fraternity.

The colors of Pi Kappa Phi are gold and white, and blue as an auxiliary color. The flower of the fraternity is the red rose.

Pi Kappa Phi collects for the Heart Fund, participates in the Christmas Festival and Christmas at Home for Needy Families, entertains orphans at the Elks Home, and other civic activities throughout the year. Socially, we enjoy the Rose Ball, the Spring Bar-B-Q, and sorority parties.

We, of Pi Kappa Phi, strive to encourage scholarship, promote understanding, enhance loyalty and foster high ideals. Members feel the Pi Kappa Phi brings emotional and esthetic development, as well as tangible joys and useful experiences.

# Tau Gamma

This year marks another great year for Sigma Tau Gamma. Always stressing social and academic development, the evidence of accomplishment can be seen in almost every phase of activity on the NSC campus.

The oldest national fraternity on campus, Sigma Tau does not rest on yesterday's laurels but is ever striving to improve itself in every way possible.

The White Rose Ball is the important social event of the year to all Taus, for here the fraternity's "Rose" is announced as is the "Pledge of the Year."

With a Sponsor such as our beloved Joseph Johnson and a pledge class such as this year has produced, the future certainly looks bright and prosperous for Sigma Tau Gamma.

Football games . . . the ringing of the victory bell . . . the VFW record hops . . . the State Fair Dance . . . the Fall Formal . . . the Spring Barbecue . . . the Barfly . . . all are now memories of this past school year. These have been good times, and that is why Tau Kappa Epsilon carries on these events as traditions. These also serve as reasons why Tau Kappa Epsilon has a high position on NSC's social ladder.

Even when it was known locally as Lambda Zeta, our fraternity emphasized scholarship and leadership as linked with social participation. It is the purpose of Epsilon Upsilon chapter of TKE to continue this emphasis in future years.

Better known as "TEKE," Tau Kappa Epsilon is young in years, but has quickly attained the position of No. 1, chapterwise, in the nation. Having 170 chapters in North America, Tau Kappa Epsilon is a large and complex international fraternity; yet, it maintains this simple but basic motto: "Tau Kappa Epsilon—The Fraternity for Life."

## The 1960 Season

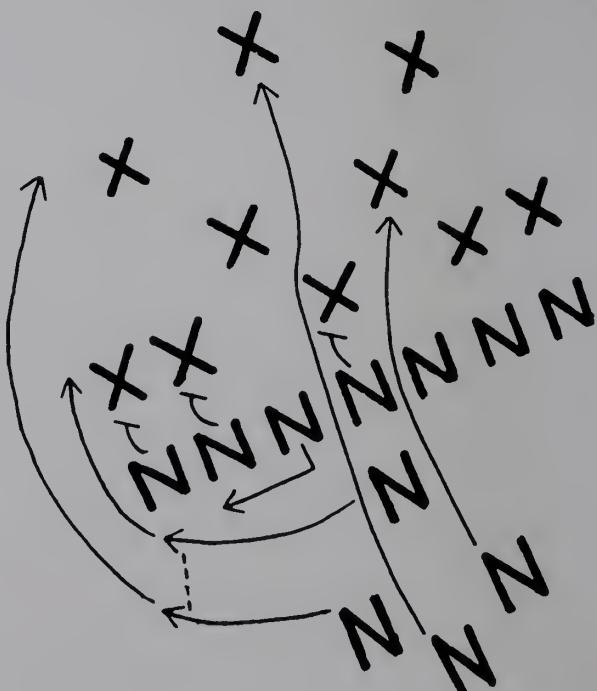

The 1960 Demons composed mostly of inexperienced freshmen and sophomores started off the season which could have turned out to be good. Plagued with injuries and bad breaks, the Demons had to settle for a 3 and 6 record.

The Demons lost their first G.S.C. game to Northeast by one point, the only extra point Norcia missed. Tech scored their winning points in the last three minutes of the game in Shreveport. In the McNeese game, the Cowboys got all the breaks, and against Southwestern the Purple and White just couldn't start moving. Southwestern just slipped the Demons with one touchdown after they had been pushed all over the field.

1960, being a rebuilding year, just watch that 1961 Demon squad.

The Demons got their first taste of defeat as the big, strong team of Lamar Tech invaded Demonland. The Demons showed a fine offense but didn't show the same type defense used to stop Stephen F. Austin the week before.

The Demons took the opening kickoff and marched 64 yards for the first TD. Little Jerry Burton bucked over from the one for the score. Norcia converted. Larry Crow completed 5 of 6 passes in this series of plays.

Jimmy Aldredge set up Northwestern's second touchdown with a 40-yard run. Ralph Conrad hit paydirt from the one. The two-point attempt was no good.

The Demons of N.S.C. opened the 1960 gridiron season by beating the favored Stephen F. Austin Lumberjacks in Shreveport. The first half was full of opportunities for both teams. After the half-time intermission, the Demons came back with victory on their minds. Midway the third period J. M. Maricelli intercepted a Lumberjack pass and went 60 yards for the TD. Nick Norcia's conversion was good.

As the 3rd period was ending N.S.C. got the offense moving. The drive was good for 67 yards with Ralph Conrad going over from the two for the TD. Norcia again converted. Norcia was the leading ground gainer with 48 yards on 7 carries.

The Demons in their first home appearance for 1960 made a second-half comeback to down the Wildcats of Louisiana College. Trailing at the half 6-0, Coach Jack Clayton put the word to the boys. They came back fighting hard for the strong Wildcat line didn't want to give. In the fourth period, with fourth down and one yard for a TD, Ralph Conrad cracked over for the score. Zachary's kick made it 7-6. With 3:50 remaining on the scoreboard clock, J. M. Maricelli tore off right tackle for 53 yards and the touchdown. Zachary's kick was good.

Maricelli led the ground-gaining by picking up 77 yards in 4 carries.

The Demons opened the G.S.C. play with a hard-fought defeat by the Indians of Northeast. Northwestern drew first blood near the end of the first period when Don Deen recovered a fumble on the Indian 14-yard line. Steve Murphy blasted to the 12 on the first play and then went for the touchdown on the next. Norcia's PAT was no good.

In the opening minutes of the second quarter, Northeast intercepted Larry Crow's pass on the Demon 42. They drove in for the TD and extra point.

Northeast had several more opportunities to score after they intercepted two more passes, but the rugged Demon line wouldn't play their way. Steve Murphy was top gainer for NSC with 32 yards in 5 attempts.

down. Norcia booted the extra point and the Demons led 7-0.

In the second quarter Nick Norcia tried a field goal from the 15 but it was a little wide. The fighting-mad Bulldogs shook the ball loose from Murphy to set up their touchdown drive. The Tech team depended largely on the passing arm of Mickey Slaughter. Tech scored on a pass from Slaughter to Hudson and the PAT was no good.

In the third period things were about even but in the fourth the Bulldogs started a drive and went 72 yards for the winning score.

Before a crowd of 18,500 fans, at the annual State Fair Classic in Shreveport, the N.S.C. Demons met defeat by the arch rivals from Ruston, the Tech Bulldogs. The ball game looked like it was the Demons' for fifty-three and a half minutes. The Purple and White displayed fine style in every department. Steve Murphy was the top rushing man with 51 yards in 13 carries. Robert Powell turned in a fine defensive ball game along with the entire Demon team.

Northwestern controlled the football the first quarter and it paid off with a 7-0 lead. Big Octave Bernard recovered a Dog fumble on Tech's 33 to set up the first TD. Vic Stelley connected with Conrad in the end zone for an 8-yard touch-

Little Jimmy Aldredge led the Demons to a victory over the Pensacola Navy Goshawks in Pensacola, Florida. Jimmy carried 16 times and picked up 122 yards. In addition, he caught 3 passes for 28 yards.

Aldredge scored the first Demon TD on a sensational 40-yard run through the entire Goshawk defense. He was nearly down three times but finally went the last 15 yards untouched. Norcia's extra point was good.

Northwestern took the second-half kick-off and drove 66 yards for the second tally. Aldredge carried it in from the one. Norcia again made the extra point good.

The entire Demon team played outstanding ball during the game with the Navy boys.

Northwestern State College Demons fell before a spirited second-half surge put on by the Cowboys of McNeese.

The Demons broke the ice when Vic Stelley let loose a 49-yard touchdown aerial to halfback Don Deen. Nick Norcia converted for the extra point.

The Cowboys set up their first touchdown when they recovered a fumbled punt. Noland Viator broke loose for 62 yards and the TD.

The Demons missed two opportunities in the first half when they drove deep into McNeese territory but met the rugged defensive play and were stopped. The Demons were unable to connect on their passes and fumbled and lost the ball twice.

Penalties, pass interceptions, and fumbles gave the Lions of Southeastern the necessary breaks to defeat the Demons 7-0. The rugged forward wall the Demons put against the Lions was tremendous and prevented the Lions from scoring several times.

During the first half it was a see-saw battle up and down the field with Northwestern drawing 69 yards in penalties. In the third period, SLC got their first real drive going and drove 66 yards for paydirt.

The Demons, not giving up, drove deep into Lion territory three times but the breaks were against them and they lost the ball each time.

Steve Murphy was the leading gainer for the Demons with 53 yards in 4 carries.

The new Louisiana University invaded Demonland on Homecoming day and capitalized on the mistakes of the Purple and White Demons.

The Bulldogs took the opening kick-off and didn't stop until they crossed the Demon goal line.

The Demons could never get a drive going in the first half. The Northwestern defense was determined to hold the Bulldogs back but finally they worked their way close enough for a field goal and at the intermission the score was USL 10, NSC 0.

The University of Southwestern Louisiana team intercepted a pass midway the third quarter for their final score. Late in the final quarter Jackie Smith battled for a pass in the end zone for the Northwestern lone TD. Zachary's extra point attempt bounced off a red helmet and between the uprights for the one pointer.

After losing two out of the first three games, the Northwestern State College Demons of Coach Huey Cranford and Assistant Coach Gene Robbins settled down and ended the season with a 16-11 overall record. The Demon cagers ended up in third place in the Gulf States Conference with a 6-4 record in conference play.

During the fourth complete year as head coach, Cranford was plagued with injuries to several of his starting players. The "Big Greek" Truitt Weldon was sidelined for four games and was unable to go full speed in several others. Phillip Haley suffered a knee injury during the second game with Southeastern Oklahoma which slowed Phil down very much for a couple of games. Little Gene Wright, suffering from a torn cartilage in his knee, never was able to go full speed although his performance in many of the games showed his determination and dedication to the Demon team.

Senior Ed Hunter served as the all-important number-one relief man and played in 26 of the 27 games and scored a total of 118 points. Gayle "Goose" Hatch led the total point column with 455 and Larry Skinner was second with 337. Big Truitt Weldon led the percentage in field goal accuracy with a 51.4 per cent. Hatch was second with an even 50 per cent. In the rebound department it was again Hatch with 271, Weldon with 211, and Phil Haley with 186. Haley, who always turned in a fine defensive game, led the team in personal fouls with 78. Gayle Hatch led the averages with 16.8 points per game while the team averaged 66.8 per game to 65.6 points per game for the challengers.

Skinner against Tech

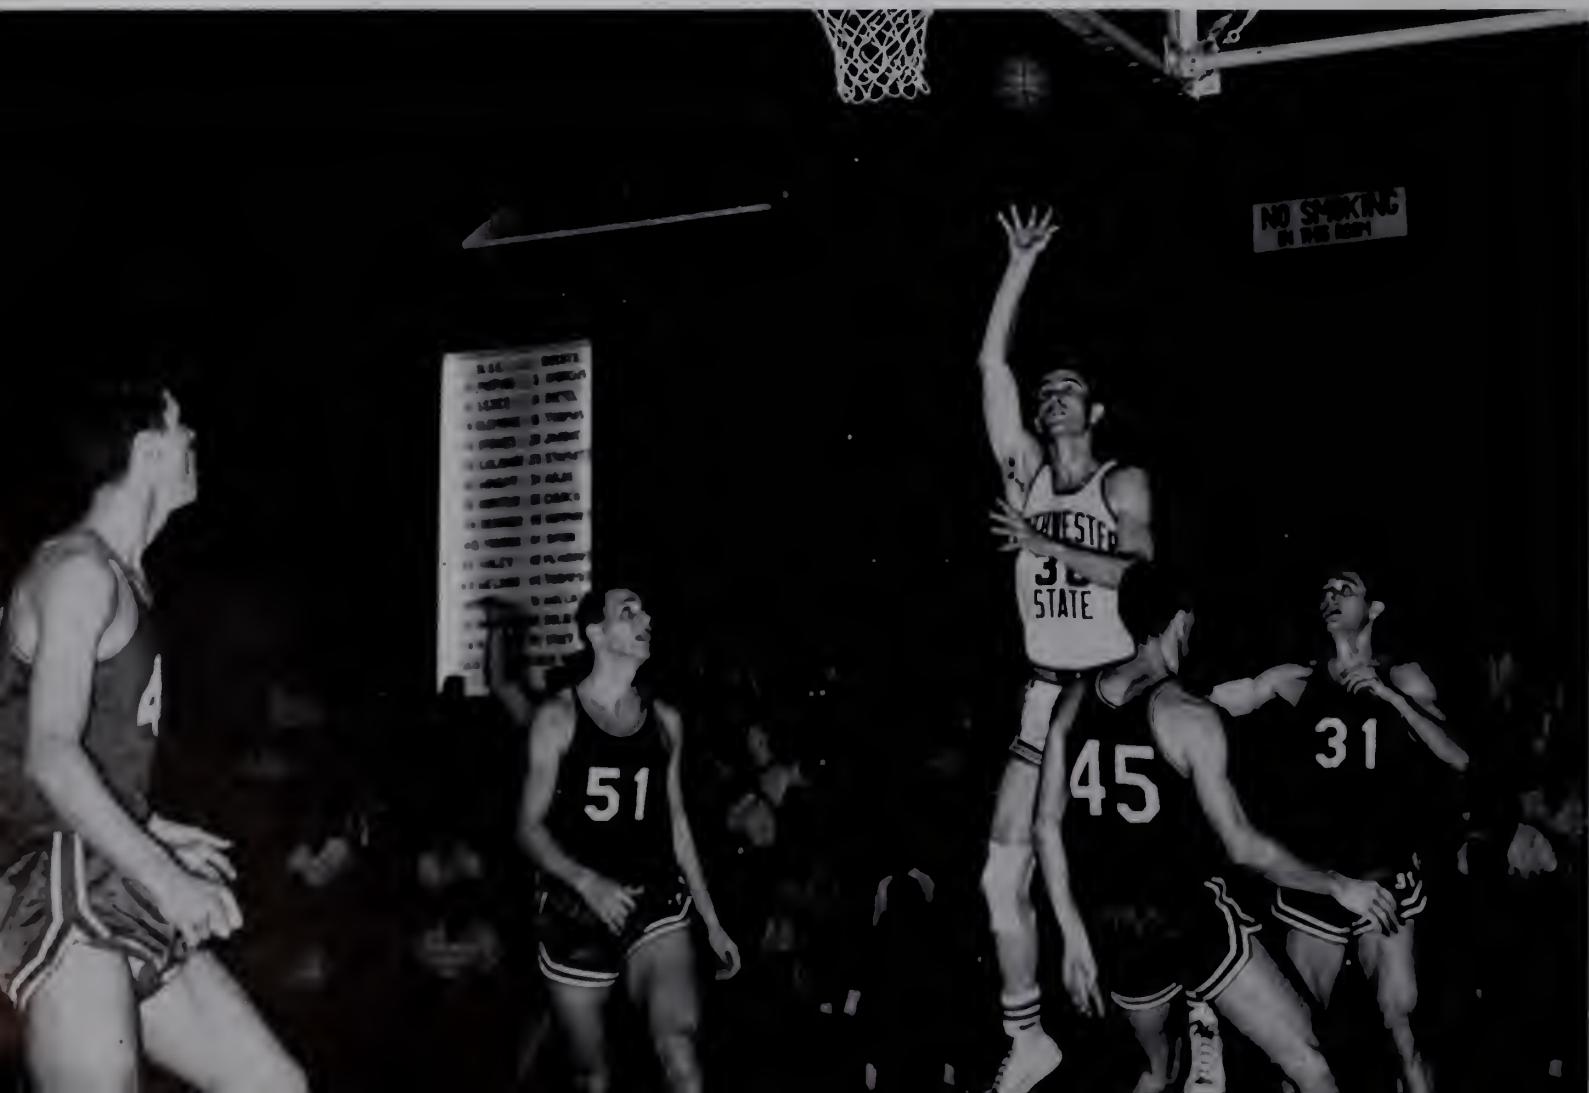

During the Christmas holidays, the Purple and White Demons again attended the Gulf South Classic in Shreveport. Being the defending champions, every team there was after the Demons. Other teams attending the Classic were Texas Western, Middle Tennessee, South Carolina University, Georgetown University, Mississippi University, Louisiana Tech, and Centenary College.

In the first game the Demons went up against the strong Middle Tennessee team and were defeated 81-74. Middle Tennessee advanced all the way to the finals, only to be beaten by the University of South Carolina. The N.S.C. team met Georgetown University in their second and just could not seem to get going. The Georgetown team won 90-65. Finally in the third game, the Demons started hitting and squeaked past Texas Western 80-79. "Goose" Hatch scored a total of 57 points during the three games.

Again during the 1960-61 season, the Demons captured the imaginary Pine Cone Classic. This annual competition among Centenary, Louisiana Tech, and Northwestern is known as the Pine Cone Classic, with the winner of the most games claiming the title of champion. Northwestern had a 3-1 record in the Pine Cone, losing only to the Bulldogs of Tech.

In the first game of the double night, double-header, held in Ruston, the Demons met defeat at Mississippi Southern hands. The second night turned out to be more fruitful for the Northwesterners when they defeated the 1959-1960 small college champions, Southwest Texas State, by a score of 70-55.

Although the 1960-61 Demon cagers didn't have a real impressive record, they did get sweet revenge with several of their annual rivals. At Centenary, Ed Hunter got the honor of cutting down the nets of Centenary after the Demons defeated the Gents 63-50.

Against McNeese, the Demons got the chance to repay the Cowboys by sitting down and still beating them. With less than ten seconds to play and Northwestern leading by three points, the McNeese team called time out. When time was in the Demons just sat down and watched the Cowboys shoot.

For the second straight season, the Northwestern round-ballers have gone undefeated on their home court.

Seniors who played their last games for Northwestern were Larry Skinner, Phillip Haley, and Eddie Hunter. These three seniors will be hard to replace. Most of the height came from the Juniors who have one more year to play. They are Truitt Weldon, 6'6", Gayle Hatch, 6'6", and little Gene Wright, 6'.

Sophomores and Freshmen got a good deal of experience during this season and should be able to handle the vacancy left by the seniors. Some of the outstanding reserves were: Billy Clemons, James Hardin, Ken Moran, Max Nix, Tommy Mathis, and David Calaway.

Third row: Jimmy Sible, Denny Ivy, Bob Welch, Nick D'Amico, Ronald Johnson, Paul Kimper, Robert Bates, Bob Hatchet, and Durwood Wilson.

The 1960 Demon baseball team, coached by Alvin "Cracker" Brown, ended the season with a 12-13 over-all record and a 7-8 G.S.C. mark. Standouts on the mound for the Demons were Sophomore Franky Jones from Shreveport, Junior Denny Ivy from Rotan, Texas, and Junior southpaw Bobby Welch from Brooklyn, New York. Jones had a 3-2 record while Ivy had a 5-4 and was second in the strike-out department with 41. Big Bob Welch led the strike-out division with 61 and had a season record of three victories against three defeats.

Freshman catcher O'Brian Smith from Shreveport led the batting average division with a .319. Smith had 23 hits for 72 trips to the plate and also belted 5 home runs. Other stickmen with high averages were Senior Ralph Conrad with a .306 and Sophomore Tom Baker of Natchitoches also with a .306.

Men who made up the infield and did much toward the N.S.C.'s victories were third baseman Julian Vienne from Alexandria, Nick D'Amico, shortstop, from Long Island, New York. Second base was held down by Mack Knotts of Castor, and Mackie Gomez handled the first sack position.

Lettermen back from the 1959 team include Mickey Mills, Franky Jones, Bobby Welch, Mackie Gomez, Tom Baker, Mack Knotts and Nick D'Amico. Gomez is a veteran of two years with the Demons.

Rookie stalwarts were Houston Cade, Robert Bates and Tommy Armstrong. There were a good number of first-year boys on the squad who didn't see much action, but they will be seeing plenty during the 1961 campaign.

During the Easter Holidays the Demons participated in the annual Northeastern tournament. The Demons just couldn't find the footing during this outing and dropped all five games.

## 1960 Track

The Northwestern State College track team for 1959-1960, under the able supervision of Coach Walter Ledet, finished the season in third place in the Gulf States Conference. This was the first time since Coach Ledet has been head track coach that the N.S.C. track team did not finish in first or second place. Coach Ledet, who knew that he was in a rebuilding year, did a fine job with the men available and guided the inexperienced team into third place in the G.S.C.

Northwestern's main source of points again came from the field events this year. Big Bert Heckel always came through with a couple of places in the shot-put or the discus.

The 1960 Spring lettermen were: Tommy Blake, Jerry Brown, Larry Crow, Don Deen, Lynn Gaines, Billy Haynes, Bert Heckel, Ed Hunter, John Hyams, John Odom, Wayne Olds, Steve Murphy, Conrad Schatzle, Jackie Smith, Glenn Talbert, and Eddie Taylor.

The 1960 N.S.C. Thinclads, first row, left to right: Pat Malmstrom, Glenn Talbert, Doug Harkness, Jerry Brown, Jimmy Connors, Steve Murphy, Buddy Hyames, and Lynn Gaines. Second Row: Bennie Brown, Tommy Blake, Wayne Olds, Frank Santena, John Odom, Billy Heckle, Ronny

Hester, Buddy Styce, Sonny Harrison. Third Row: Don Deen, Ed Hunter, Jackie Smith, David Calaway, Billy Haynes, John Dale, Bert Heckle, Larry Crow, and Conrad Schatzle.

The N.S.C. thinclads opened their cinder season by capturing fourth place in the college division of the Shreveport Relays. Later during the triangular meet with Louisiana Tech and McNeese, Bert Heckel set a new school record with a discus throw of 146-10 $\frac{1}{2}$ . The same day, Eddie Taylor broad-jumped 22-11 $\frac{1}{2}$ .

At the annual Northwestern Relays, the mighty Northeast squad, paced by the Styron brothers, shattered six records. A near-capacity crowd turned out to watch some of the best trackmen in the nation. Northwestern finished fourth in this meet behind Northeast, Lamar Tech, and Louisiana Tech.

At the G.S.C. meet, again the Indians of Northeast took the big trophy, but the Demons captured their share of the medals also. Standouts in the field events were Bert Heckel, Conrad Schatzle, and John Odom in the discus, placing second, third, and fourth. Heckel captured second in the shot-put while Larry Crow placed third in the broad-jump.

## Gymnastics

Northwestern State's gymnastic squad, under the watchful eyes of Coach John Piscopo, continued their domination of most of the meets they participated in, and remained undefeated at home. Piscopo's teams have only been beaten three times in intercollegiate meets during the past seven years. These three were to the always powerful and one of the nation's top-ranked schools, Florida State University. The Demon tumblers still remain undefeated by any college team and have never been beaten on their home court except by Florida State.

Among the highlights for the 1960 Gymnastic team was their trip to Florida. The Demons invaded the Florida State University campus primarily to get experience with one of the world's best teams. The Northwestern boys made a fine showing, but were just a little too small for the mighty Florida State U.

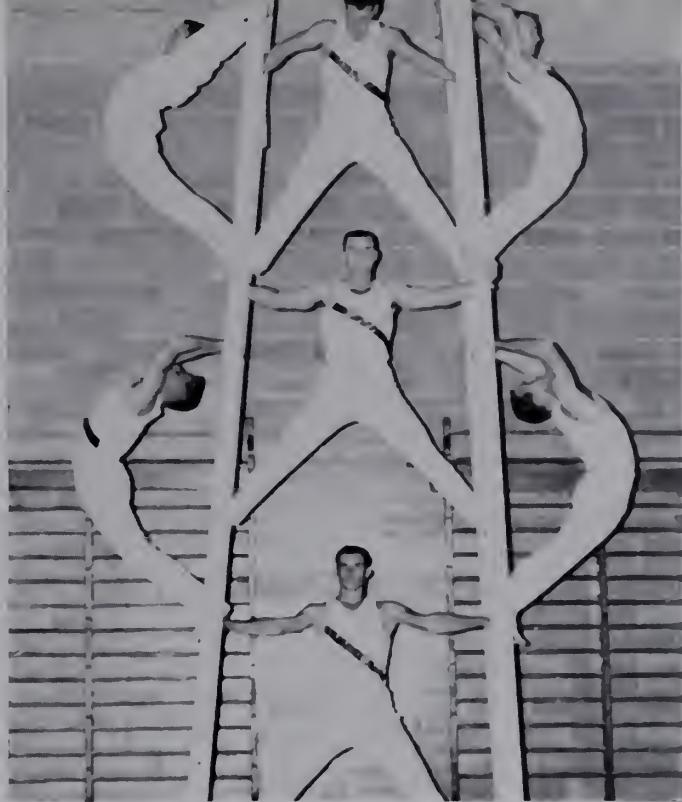

The Purple and White team traveled to Lafayette to the Southwestern AAU meet where they walked off with the team award. Also they brought home second place from the Mardi Gras meet and won the Mid-South meet here at N.S.C.

Team Captain Charlie Partin was one of the high-point men for the Demons, while Jerry Ainsworth, Paul Prince and Harvey Laymen captured many of the individual awards at all the meets they attended.

Other highlights of the 1960 season were trips to high schools throughout Louisiana. At the high schools, the team would put on a fine exhibition of their gymnastic ability. Also

Charles Partin does a one-hand

the team put on one of the finest Home Shows ever in the Fine Arts Auditorium.

During the 1961 season, the Northwestern team will be in a rebuilding era after their long superiority in the gymnastic

field. While the men are rebuilding their team, Charles Partin has organized the first women's gymnastic team for N.S.C. According to Partin's report, these girls really have a great chance in the gymnastic field.

# Golf

Coach Earnest "Slim" Howell's 1959-60 Golf team was the second team in a number of years for Northwestern State. The Demon linksmen made a fine showing against some very strong competition. The team ended up with a five and five record for the season.

The Demons finished in fourth place in the Gulf States Conference tournament held in Lake Charles. Louisiana Tech, McNeese, and Northeast State finished ahead of the Northwestern team.

Members of the 1960-61 team who have a fine possibility of winning the championship are Benny Morgan from Springhill, Tom Baker from Natchitoches, Frank Fletcher from Alexandria, and Russell Ogilvie.

# Tennis

The 1959-60 varsity tennis team, under the supervision of Coach Huey Cranford, did not have a very impressive record. Although the official record shows only one victory against five defeats, it doesn't mean the Demon team was weak. The strong competition was the very best among small colleges in the South. The McNeese team composed almost entirely of Latin Americans proved to be the number one team in the Gulf States Conference.

The players who made up the 1959-60 team were Frank Fulco from Shreveport, Jerry Hart, Bill Edmonson, Robert Semple of Alexandria, and Jerry Sanders of Shreveport.

## Intramurals

The eighteen-sport men's' intramural program, under the direction of James "Red" King, featured two new additions during 1960-1961. Bowling was introduced for the first time during the Fall and a permanent Intramural Council was initiated at Mid-Term.

As the **POTPOURRI** went to press, ten sports had been completed, with four teams waging a torrid battle for the team trophy. These teams were: R.O.T.C., Scholars, Tau

Kappa Epsilon Fraternity, and the Untouchables. At the same time, two men were tied for the individual trophy with 19 points each. They were Tom Baker and Danny Rowzee.

The purpose of the Northwestern intramural program is "to offer the men students a chance to participate in wholesome recreation, keen athletic competition, and good clean fun."

Cross-country winner was Joe Cox for the ROTC team

**Seated:** Mary Gandy, Treasurer; Dixie Barker, President; Mary Ann Schafer, Vice-President.  
**Standing:** Marlan Hodges, Recording Secretary; Gloria Wright, Corresponding Secretary; Ann Mathews, Reporter; Billie Gough, Parliamentarian; Jo Edwards, Historian.

Alpha Beta Alpha is the only national, coeducational, undergraduate Library Science Fraternity in the United States. The major purpose of the fraternity being to serve as a recruiting agency for librarianship, the members are required to take at least six semester hours of Library Science.

Established on the NSC campus as the Northwestern State College Library Club on January 17, 1946, the professional fraternity was later renamed the Scharlie E. Russell Library Club. On May 3, 1950, the nationwide organization of Alpha Beta Alpha, the American Librarians' Fraternity, was established, with the NSC club as Alpha Chapter. There are presently over twenty-five chapters in the United States.

**Seated:** Geri Ann Haworth, Jo Edwards, Dixie Barker, Cynthia Knight, Mary Purcell, Elise Bordonon. **Standing:** Charles Pickett, Mary Ann Schafer, Judith Hammond, Lenora Woolley, Shirley Tassin, Billie Gough, Gloria Wright, Ann Mathews, Marlan Hodges, Kathleen Feltmann, Mary Gandy.

## Davis Players

Davis Players, the oldest official dramatic organization on campus, strives to develop talent, cultivate a taste for the best in drama, and foster the cultural values which dramatics develops. All students are encouraged to participate in College Theatre, through which work requirements for membership in Davis Players are fulfilled. Because of the vital interest displayed in theatre and the standards of quality exemplified in productions, the club was instrumental in securing the NSC chapter—Delta Eta Cast—of Alpha Phi Omega, the largest of the national honorary fraternities for college dramatics. Membership in this fraternity is the highest honor bestowed in dramatics at Northwestern.

Members, left to right, seated: LaNae Rowell, Dr. Edna West, Patsy Gladden, Jane Hazelton, Ann Johnson, Vicky West, Sharon Amerine. Standing: Mr. Majors, Carroll Bennett, Leon Brown, John Hazelton, Billy Toland.

## Beta Beta Beta

Beta Beta Beta is a national honor society for students of the biological sciences. It emphasizes a threefold program: stimulation of sound scholarship, dissemination of scientific knowledge, and promotion of biological research.

Beta Beta Beta was founded at Oklahoma City University in 1922 and is presently numbered at over 125 chapters. Begun at Northwestern State College as a local organization, Beta Phi Alpha, it became Delta Theta Chapter of Beta Beta Beta in 1949.

Tri Beta members, well known for their exhibits which are placed in the Biology Building, attempt to combine a program of work with enjoyable relaxation.

**Officers, left to right, back row:** Dr. Outland, Sponsor; Edgar Johnson, President; George Krumm, Historian; Harold Cleveland, Treasurer. **Front Row:** Edna Wise, Vice-President; Prudence Parrott, Recording Secretary; Marilyn Stewart, Corresponding Secretary.

Kappa Delta Pi, an honor society in education, was organized in 1911 for the purpose of encouraging high professional, intellectual and personal standards, and of recognizing outstanding contributions to education. Membership is offered to all persons who exhibit commendable personal qualities, worthy educational ideals and sound scholarship.

Gamma Phi Chapter, begun on the NSC campus in 1934, annually presents programs such as were given this past year: "Comparisons of the American Education System With Those of India and Russia" and a debate on the question of "Teaching Foreign Languages in Elementary Grades."

Officers, left to right: Ray McCoy, Chapter Counselor; Pat McGraw, Reporter; Helen Cookston, Treasurer; Lynda Williams, Secretary; Irene Brandon, Vice-President; Kenneth Jordan, President.

Officers, left to right, standing: Stanley Sakovitch, President; Elmer Hermes, Vice-President. Seated: Suzy Alost, Secretary; Dorothy Wallen, Reporter; Annah Vaughn Leach, Treasurer.

Kappa Pi is an honorary art fraternity open to all art majors and minors who have completed twelve semester hours in art and have maintained a "B" average in these courses.

Chapters are installed only in recognized colleges, universities, and art schools meeting the standard of nationally accredited agencies.

Some of the purposes of Kappa Pi are to promote art interest among college students, to stimulate higher scholarship, and to recognize potential and professional ability.

This year Kappa Pi entered a float in the annual homecoming parade. The fraternity also sponsored the spring art exhibit.

Members and pledges, left to right, standing: Roy DeVille, Farrell Fontenau, Dorothy Wallen, Mike Moore, Suzy Alost, Stanley Sakovitch, Elmer Hermes. Seated: Faye Love, Kathy Mischler, Annetta McPherson, Joy Faye Vallery, Pressy Eichler, Kay Koenen, Annah Vaughn Leach.

Officers, left to right, front row: Don Truly, Sergeant-at-Arms; Dr. Duane Slaughter, Sponsor; Henry Megison, Secretary. Back Row: Charles Freeman, Treasurer; Wayne Olds, Guide; Malcolm Gomez, President; Sammy Essmeier, Vice-President; Mack Knotts, Historian.

## Phi Epsilon Kappa

Phi Epsilon Kappa, the only national professional fraternity for male students of health, physical education and recreation, was founded at Normal College of the American Gymnastic Union of Indianapolis, Indiana, on April 12, 1913.

With the installation of Beta Chapter at the American College of Physical Education in Chicago, Illinois, on May 7, 1920, Phi Epsilon Kappa took the first step toward becoming a national fraternity. Alpha Pi Chapter was installed at N.S.C. on April 28, 1951.

Activities this year included "Recreation Night" for prospective members, Founder's Day Banquet, a "Blood Bank" Project, and a Care Package Project.

Members, left to right, front row: Dr. Slaughter, Ralph Bates, Don Truly, Mack Knotts, Henry Megison, Sonny Martinez. Back row: Sammy Essmeier, Charles Freeman, Wayne Olds, Jerry Fowler, Billy Haynes, Ken Terwey, Malcolm Gomez.

**Student Members:** Dixie Barker, Freddie Bosarge, Irene Brandon, Phyllis Brewer, Frank Caperton, Marco Celotti, William Coffey, Jerry Connerly, Stella Craig, Janis Evans, Linda Fedd, Mary Fletcher, Beverly Flowers, Kathleen Gallaspay, Benny Grant, Gerri Haworth, Brenda Holmes, Burton Howard, Johanna Hulls, James Hyde, Dianne Sue Imhoff, Michelle Mathews, Linda Pate, Mary Schafer, Rose Temple, Gloria Thompson, Ursula Wahl, Lynda Williams, Edna Wise, Lenora Wooley. **Not Pictured:** Jo Frances Edwards, Lennie Hanchey, Joan Harrington, Lola Kendrick, William Robinson.

The National Honorary Fraternity of Phi Kappa Phi was founded in 1897 and the Northwestern State College Chapter was established in July, 1953. The purpose of the society is the recognition and encouragement of superior scholarship in all fields of study.

Requirements for membership in Phi Kappa Phi are exhibition of sound character and a 2.3 grade average. Membership is open to second semester juniors, seniors, graduate students, alumni, and faculty who have shown distinction in their fields of study. Juniors must be in the top five per cent of their class, and seniors must be in the top twelve per cent.

The Newman Club is an organization of Catholic students of non-Catholic campuses. Its purpose is threefold: to strengthen the religious, to deepen the intellectual, and to enrich the social life of the Catholic college student. The Newman Club at Northwestern State College, in conjunction with the St. Thomas Aquinas Catholic Student Center, accomplishes these three ends with the presentation of a complete program of religious services, various non-credit courses—such as theology, philosophy, apologetics, basic Catholic doctrine, marriage, and others—and many varied social activities. The major function of the Newman Club is to help the Catholic student pursue his studies in a Christian way.

## Westminster Fellowship

The creation of fellowship, fostered by group projects that emphasize Christianity in the lives of young people, is the fundamental aim of the Presbyterian Westminster Fellowship on the college campus.

Members learn in detail about the overall program of the Presbyterian Church by participation in weekly group discussions, and by actual contribution to deserving community institutions. Three members of the NSC Fellowship—Glenda Bland, Charles Almeda and Mary Sue Owen—were representatives at the Presbyterian Convention in Dallas during December, 1960.

The spiritual director of the group is the Reverend Percy Hagan, pastor of the First Presbyterian Church of Natchitoches. Reverend and Mrs. Hagan meet with Group Moderator Jerry Brown, Vice-Moderator Rita Blanchard, and Junior Representative Mary Lou Mathews in planning the year's activities.

The Demeter Agricultural Fraternity—named after Demeter, the ancient Greek goddess of Earth and all vegetation—was organized October 18, 1924. It was begun at Southwestern Louisiana Institute, Lafayette, Louisiana, by Dean J. L. Fletcher, then head of the Agriculture Department. From a small group of eight members, the Demeter Club has expanded into a national organization with three chapters and a total membership of approximately one thousand.

This year, the local chapter contributed two of the national officers: Edd Hunter, serving as national president, and Janie Krouse as secretary-treasurer.

Chapters of Demeter Club have now been established at Louisiana Tech, Northeast, and McNeese.

The Northwestern State College Industrial Arts Club is a professional and social organization whose membership is open to all majors and minors in industrial education.

The purposes of the club are: to foster and promote the development of industrial education in Louisiana, to promote and facilitate social and professional activities for its membership, and to develop an active interest in the industrial development of Louisiana.

The major activities of the club this year encompassed such things as monthly meetings, float making, and a spring tour of the industrial areas of Baton Rouge and New Orleans.

Officers, left to right: Fritz Zapatka, Vice-President; Clydell Davenport, Secretary; David Peery, President.

## Bacteriology Club

The Bacteriology Club was organized in April, 1958, with Dr. Rene J. Bienvenu serving as sponsor. The membership consists of all graduate and undergraduate students majoring or minoring in the field of Bacteriology. The club is an educational organization which features seminars by guest speakers and club members, participation in local and regional scientific meetings, and social events. Most of the students in the club are also active participants in the research programs of the department.

The addition of this curriculum is indicative of the progressive nature of the Department of Biological Sciences at Northwestern State College.

Members, left to right, first row: Mr. Edward Sobers, Hsing-Hua Chang, Billie Slatten, Clydell Davenport, Marilyn Stewart, Dr. Bienvenu, Howard G. Smith. Second row: William Brundage, David Peery, Don Rucker, Danny Phillips, Varly Young, Silvester Jimes, Fritz Zapatka.

The Physical Education Majors Club, open to all women majoring or minoring in physical education, is designed to provide closer relationship among the members through fun and companionship. Its purpose is to create more interest in Health and Physical Education as well as further professional interest. Throughout the year the Physical Education Majors Club sponsors many fund-raising activities. They are responsible for the concession stand, and for selling programs and cushions at the NSC football games. Many other smaller projects are carried out by the PEM Club to make it one of the most active of its type in Louisiana.

The year 1960 marked the end of one decade since the establishment of a military science program at Northwestern. And the seven Regular Army staff and 200-plus cadets did their best to make it a signal year for the NSC Army ROTC.

Members of the Corps not only attend their regular classes and drills, but also participated in a wide range of military-sponsored extracurricular activities, many of which were initiated during 1960 and 1961.

For instance, ROTC participation as a separate team in the Northwestern intramurals program began this year. The cadets took part in all facets of this competition, and scored highly in all events throughout the year.

The established program of extra military activities also ran on a smooth track.

The Black Knights of NSC really "brought home the bacon" in the Washington, D.C., Cherry Blossom Festival Drill Competition of 1960 as they won the national marching championship from 74 other competing schools. The unit also placed fifth in drill routines, and were the only competitors to capture two trophies.

And the ROTC Rifle Team also came through in fine fashion, defeating a majority of the teams they faced in both the shoulder-to-shoulder and postal matches.

The Robert E. Sylvester Company of the Association of the U.S. Army, Northwestern's military club for junior and senior cadets, also had a fine year. Guest speakers, films, and general discussion gave the Association members an inside look at the life they would live as officers in the Army.

Cadets of the Corps took part in an intramural rifle firing on the basis of competition between the five companies, and the entire Battle Group marched in both the Homecoming Parade and the Homecoming pre-game ceremonies.

As usual, the ROTC was in charge of the daily flag-raising ceremonies, and also took part in the annual Veteran's Day taps-flag ceremony that honored all American dead of all the nation's conflicts. Color guards from the Black Knights also functioned at each home football game, raising the national banner at the game's beginning.

Competition between the companies was keen, with the units vying for points in both extracurricular activities and in performance at the weekly Corps drill.

The six ROTC sponsors, elected by vote of the Corps at the end of the spring semester, were perhaps the most active of any sponsors since the inception of a military unit here. The Battle Group sponsor and

five company sponsors appeared at Corps drill and all-Corps functions with their respective units, and also helped with the ROTC scrapbook and the Homecoming float, which won first-place honors.

Leadership, the primary objective of the military training here, was prevalent throughout all units of the Battle Group. Northwestern's 1960-61 ROTC seniors made exemplary records at the annual ROTC summer camp they attended at Fort Hood, Texas. Nine of the seniors were designated as Distinguished Military Students, the highest honor that an ROTC cadet can achieve.

Cadet Col. David B. Howard was responsible for the over-all function of the Cadet Corps. The Battle Group staff, under the Battle Group Executive Officer, Cadet Lt. Col. Frederick C. Bosarge, supervised all facets of Corps operations, and were raters of the units in the Battle Group. Cadet Majors on the staff were Larkin C. Cathey, Don A. Scoggins, Jerry M. Conerly, and Paul O. Jemison.

Heading the five companies of the NSC Corps were Cadet Captains Homer O. Scott (Hq. Co.); William F. C. Carter (A Co.); Arthur M. James (B Co.); Ronald E. Girard (C Co.); and Johnny O. Falcon (D Co.).

The awards ceremony at the final Corps drill of the year served as a fitting end for a fine year for the Northwestern ROTC.

## Rifle Team

The R.O.T.C. rifle team has been known in the past as one of the best firing units in the south. The team's activities this year have proven its reputation through wins from some of the highest rated teams in the nation. This has been accomplished by the concentrated efforts of the individuals on the team, the Team Coach, M/Sgt. Frank B. Wilson, and assistance from the Team Advisor, Major Thomas J. Gleason. The team's opponents include universities, colleges, and firing units from many parts of our country as well as well as surrounding colleges.

CADET LT. COL. FREDDIE BOSARGE  
Commander, Black Knights

The Black Knights march in Shreveport

## The Black Knights

Northwestern's Black Knights of 1961 have quite a heritage to equal, but with the spirit typical of this exacting marching group, the Knights intend to best the achievements of the 1960 drill team.

This will take "some doing" since Northwestern was brought its first national championship in any field by the '60 Knights' capture of first-place marching honors in the Washington, D.C., Cherry Blossom Festival. Fifth place in drill competition on a national level was also captured by this group, many of whom had helped grab a similar placing in 1959.

But to strengthen their efforts in surpassing last year's unit, the Black Knights have a strong returning nucleus of experienced marchers, and a fast-rising, enthusiastic band of first-year cadets.

Commanded by Cadet Lt. Col. Frederick Bosarge of Alexandria, the Knights first rehearse their precise maneuvers before the "Home Folks" of Louisiana by participating in Winnfield's Forest Festival Parade; the State Fair Game Parade and the Holiday in Dixie Parade in Shreveport; the NSC Homecoming Parade and pre-game activities and the Christmas Festival Parade in Natchitoches; and a New Orleans Mardi Gras parade.

Experience gained in these appearances is put to good use by the Black Knights when they travel to the Capitol in April to vie with over 70 other colleges for first-place rankings in both marching and drill routines.

Squad leaders on this year's unit are Cadet Capt. Johnny Falcon; Cadet Sgt. Maj. Jack LaBoa; Cadet 1st Sgt. Jay Reese; and Cadet SFC Paul Ware. Regular Army staffer M/Sgt. Robert D. Herring serves as team coach, and Maj. Thomas J. Gleason is the Black Knight advisor.

# A Message from Dot, Doris and Tom

Looking back over the year we see the 1961 POTPOURRI begin with a dream. A dream which could not have materialized without the help, understanding and encouragement of many people.

A cooperative staff with a willingness to put in many long hours of hard work is the back-bone of any yearbook. This year's staff was composed of the most diligent members for which any editor could ask.

Helping us to put our dream on paper was Mr. W. A. Benson, Jr., without whose constant and generous help it could never have materialized. And to Benson Printing Company of Nashville, Tennessee, and the fine professional staff we say a special thank you for the beautiful work done in designing, printing, and publishing our POTPOURRI.

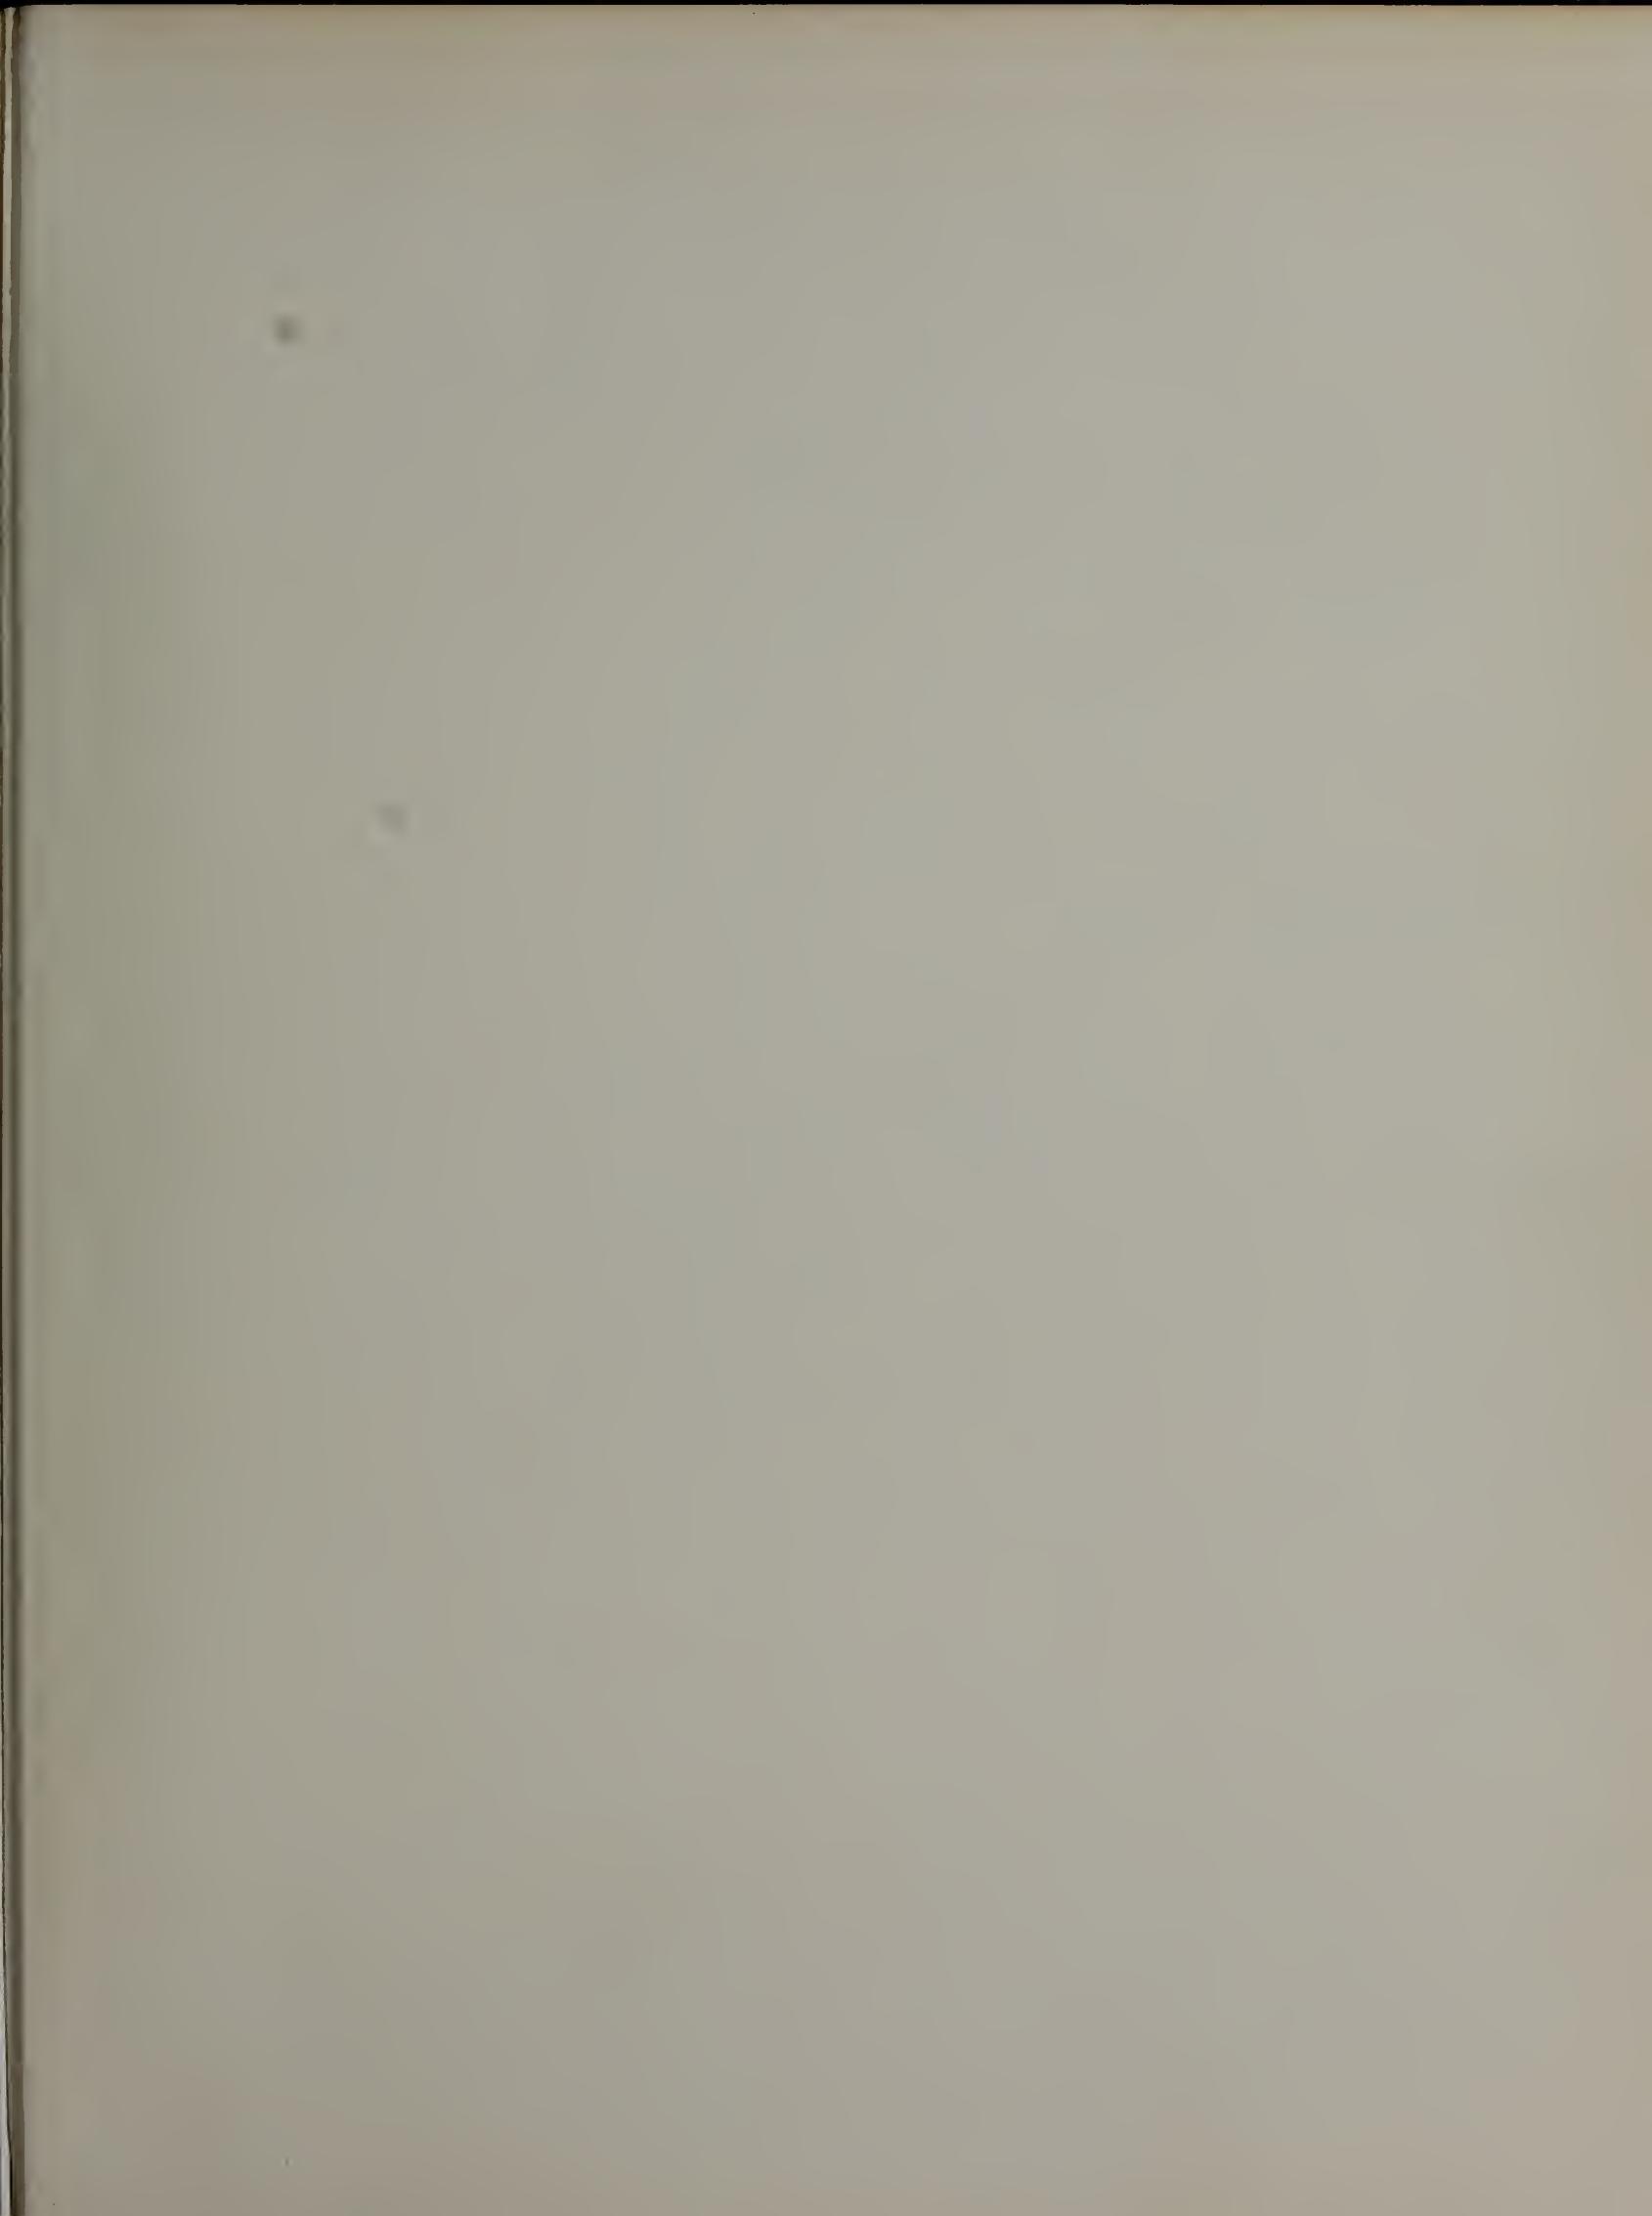

Working along with us and Benson, the Shreveport Engraving Company helped put our dream in pictures by doing the engraving of the photographic material used in the book. We express our sincere gratitude to Mrs. Daisy Abbott there for her constant backing through the year.

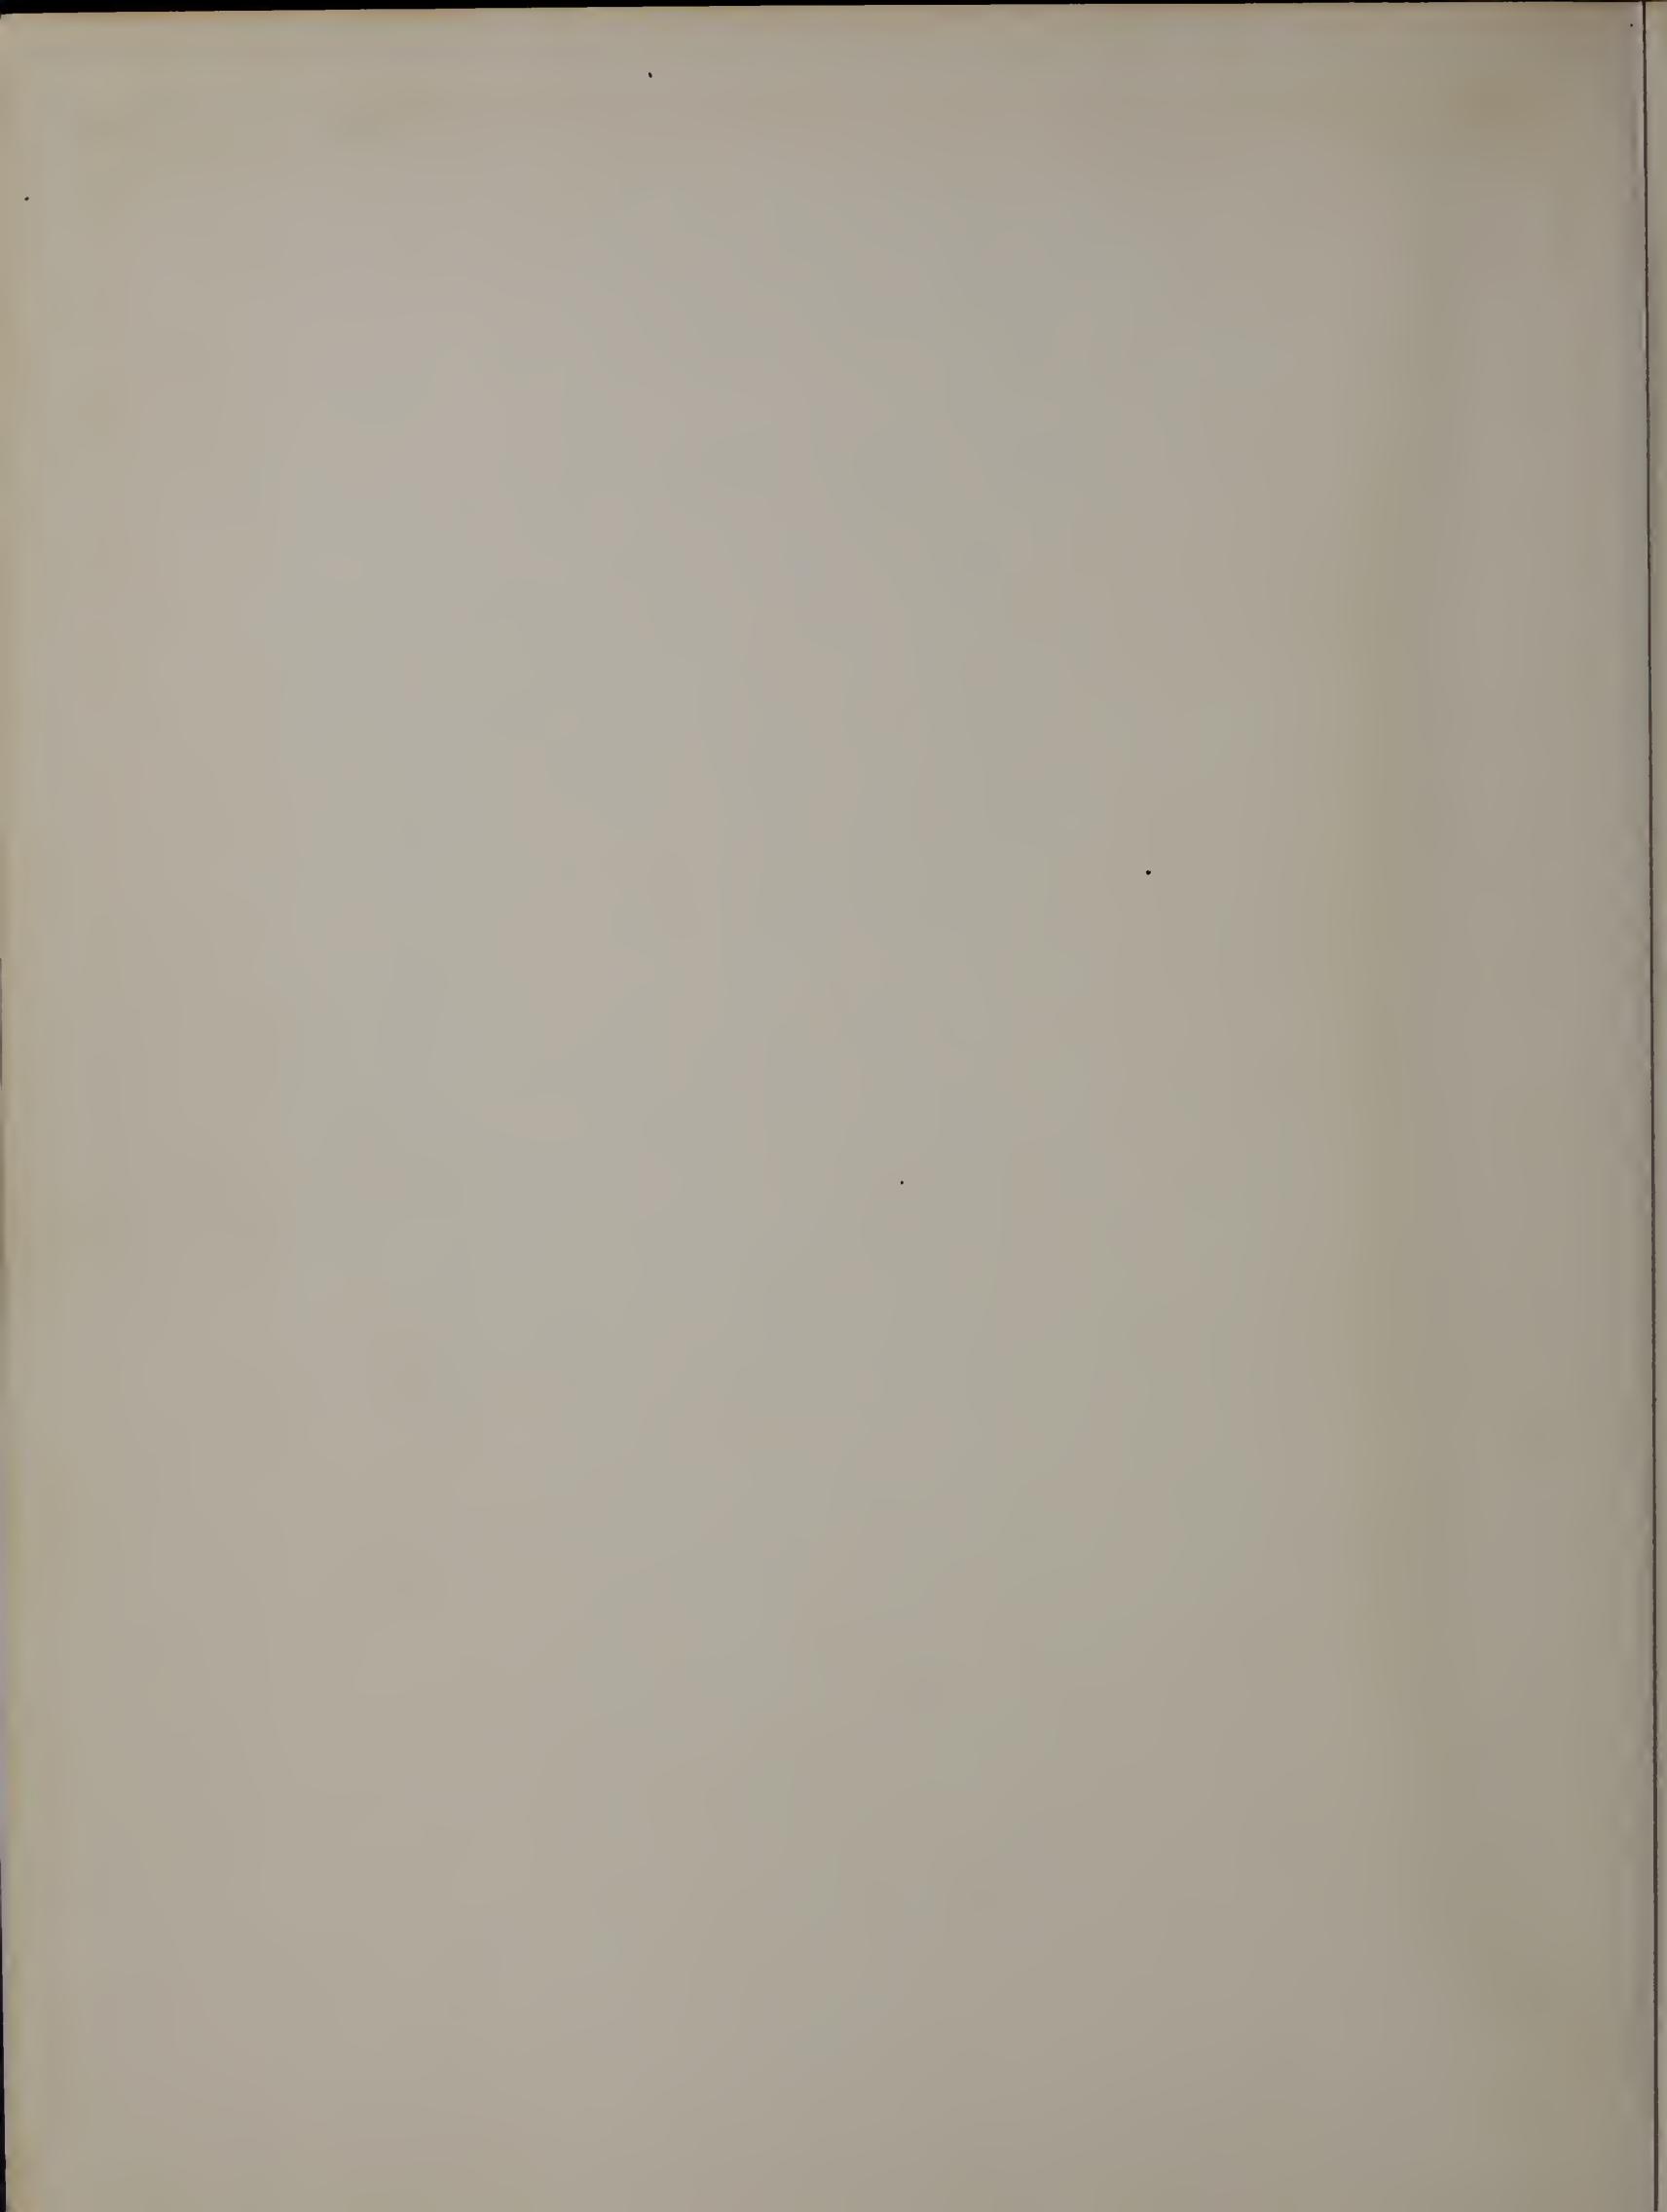

Without the 1961 POTPOURRI photographers we could never have seen our dream in pictures. To Mr. Joe Uhrbach we owe a very special thank you for taking pictures at any time, day or night. Without Larry Morison and Jerry Kircus many of the campus activity shots could never have been made. To you, Larry and Jerry, we say a deep heart-felt thank you for making and producing pictures in record time when the editor would say, "Yes, but we must have those 25 or 30 pictures no later than tomorrow afternoon!" Another thank you to Mr. Thomas "Red" Hennigan for his continuous support.

We could never forget a very special guiding hand through the year. "Doc" Marx, with your continuous support and wit you have brought many laughs and much cheer to lighten any problem which did appear. We thank you, "Doc", from the bottom of our hearts.

We thank the administration, faculty, staff and student body of N. S. C. for supporting and cooperating with us throughout the year. It has been a wonderful and exciting year for us, seeing our dream develop. We sincerely hope that this 1961 edition of the POTPOURRI will long help you to fondly look back and remember your 1960-61 year at N. S. C.
